No Travel Advisory has been lifted for portions of northeast North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol (NDHP) have **LIFTED** the **No Travel Advisory** for portions of northeast North Dakota including I-29 from Buxton north to the Canadian Border and ND Highway 2 from Michigan to Grand Forks.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov.

The NDDOT works hard to keep travelers informed of road conditions. However, the road conditions are not reported 24 hours a day but updated every day from 5 a.m. to 10 p.m. Central Time, including holidays. It's important to remember that the conditions may vary from what is being reported.
